

# SECOND NOTICE

(May 2016)

After an intense period of merging and reshaping of the proposals, we inform you about the final list of accepted panel-workshops for the *VI International Meeting of Researchers in Modern and Contemporary History*.

We announce that the deadline for the submission of **paper proposals** will be on **Sept. 15<sup>th</sup> 2016**. The extension will not exceed one hundred words (you can find the application form in the Meeting site “downloads” section: <https://historiazgz2017eng.wordpress.com/downloads/>). You must send it to the coordinators of the panel- workshops as well as the Organising Committee ([joveneshistoria2017@gmail.com](mailto:joveneshistoria2017@gmail.com)). For the coordinators, the deadline to tell the accepted proposals to the organization and participants will conclude on November 15<sup>th</sup> 2016.

As far as **Scriptoria** are concerned, there is not deadline yet, and you may check the received ones in our website “Scriptoria” subsection (<https://historiazgz2017eng.wordpress.com/scriptoria/>). Please keep in mind that each Scriptoria is open for any researcher interested in participate.

Proposals can be written in any of the co-official languages of the Spanish State, as well as English and French.

During the development of the panel-workshops, there will not take place the traditional round of individual expositions. Instead, and following the spirit of this meeting, the coordinator team will have to elaborate a dossier with the main axes of the papers in order to ease the debate. Last, we remain the coordinators that the number of papers for each panel will not be more than fifteen.

Next, we offer the final list of selected panel-workshops. For further information please check the “Panel” section in the Meeting website (<https://historiazgz2017eng.wordpress.com/panels/>).

Kind regards,

The Organising Committee.
